

# Global Outreach Partner Conscience International

**Conscience International is a humanitarian aid organization dedicated to helping people in the world's neediest places, especially in places not served by other agencies.**

They have conducted medical relief and refugee relief programs in Afghanistan, Cameroon, Eritrea, Haiti, Honduras, Lebanon, Indonesia, Iraq, Iran, Jordan, Pakistan, Palestine, Senegal, Sudan and Turkey. They have implemented maternal-child public health training programs in the Middle East and Central Asia. Conscience International has also constructed houses for displaced persons following natural disasters in Honduras, India and Thailand.

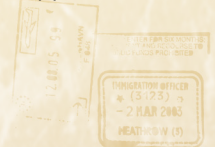

Conscience International was founded by Jim Jennings and began as an emergency medical response to the siege of Beirut in 1982. Over the years, Conscience International teams have provided emergency medical care and refugee aid following wars and natural disasters in countries such as Afghanistan, Iraq, Iran and many more.
