

Global Outreach Short Term Mission Trips

Short Term Mission trips are more than excursions into service. They are certainly not as some have called "voluntourism." Instead, our mission trips are designed to be all about discipleship.

We go to be better disciples of Jesus. We go to learn, to build relationships, to offer ourselves in service to others. We don't primarily go to accomplish our plans. We go as followers of Jesus. Will you go with us? The following are dates and descriptions for our 2012 trip locations.
