

# Global Outreach Partner Absalon & Ana Zavala

**Since childhood, Absalon and Ana Zavala have dedicated their lives to the Lordship of Christ. God has used them in various ministries for more than thirty years.**

Absalon and Ana have served in Guatemala, El Salvador and Honduras. They are in the United States to minister among the Hispanic population of Florida. Their goals include Bible training for leaders, training Christians in evangelism and discipleship, raising up new congregations, establishing Bible training centers and providing for the needs of children in Honduras.

Absalon and Ana are currently overseeing several churches and focusing on equipping and discipling new leaders. The Zavala's have been partnering with Dunwoody Baptist Church since 1999.

The Zavala's serve through the mission organization CAM International. CAM (Central American Mission) International exists to produce and empower committed followers of Jesus Christ in Spanish-speaking areas to reach the world. This is their compelling motivation and passion. Supporting this mission is the focus of every CAM missionary.

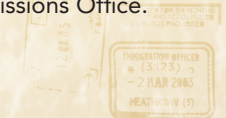

CAM performs a wide variety of ministry efforts with a strong focus on evangelism, discipleship, church planting, leadership training and development, theological education and global missions mobilization.
